Beyond the Wand

Ready to level up your sparks? Join Dara, co-host of the Pink Kink Podcast, for a high-voltage dive into advanced electro play. This isn't a beginner's "zap and giggle" class—we're talking fear play, predicaments, CBT, and mindfuckery that turn electricity into a true tool of power. In this online workshop, Dara will cover advanced implements, fear and predicament play, CBT with electro, safety and negotiation, and creative scenarios to keep your bottom guessing (and squirming). Drawing on over two decades in the scene, she'll share the skills, tricks, and techniques that make electro unforgettable.

Whispers in the Dark

Explore how sound can change the mood and energy of your kink scenes in this online workshop. We'll dive into how different types of audio—like music, binaural beats, ambient noises, voice commands, and other sounds—can make your scenes more intense, build deeper connections, and create a lasting atmosphere. Whether you're just starting to use sound in your play or want to improve your skills, this class offers hands-on tips, demonstrations, and ideas to help you use sound more effectively. Learn to enhance your scenes by mastering the use of sound and adding a new level of sensory excitement.
